

# Transferring into the Actuarial Science major

## Get Good Grades

After you have completed the Calculus prerequisites, take the following two courses and earn at least a **B minus** in each course:

- ASRM 210
- ASRM 401 or Stat 400.

## Fill out Forms

- Students transferring from another LAS major can use the Change of Major link found at <http://www.las.illinois.edu/students/forms/>
- Students transferring from outside of LAS must view an LAS inter-collegiate transfer (ICT) information session and fill out the online form from the link provided afterwards. Follow the directions at <http://www.las.illinois.edu/prospective/intercollegiate/>.

## For More Information
